Read the Bible This Year

A One-Year Guide

So great is my veneration for the Bible that the earlier my children begin to read it the more confident will be my hope that they will prove useful citizens of their country and respectable members of society. I have for many years made it a practice to read through the Bible once every year.

—John Quincy Adams

“I have hidden your word in my heart that I might not sin against you.”

—Psalm 119:11

How to Use This Guide

This booklet contains two Bible reading plans. Both are designed to take you through the entire Bible in one year.

The first proceeds in the order in which the books appear in the Bible, with readings from the Old and New Testaments each day.

The second arranges the biblical material chronologically, so that the readings follow the most likely order in which the events occurred or were written.

Here are some tips for reading the Bible consistently.

- If you fall behind, don't worry! Just pick up where you left off.
- Find a partner so you can keep each other motivated.
- Find a consistent place and time for reading.
- Read as early in the day as possible.

What You Will Gain

When you read the entire Bible you will—

- Go through a spiritual growth burst as you take God's Word to heart.
- Develop a closer relationship with God as he speaks to you.
- Learn many things you did not know about Jesus and events in the history of our faith.
- Experience a greater hunger to know God.
- Gain confidence in discerning the truth.
- Feel a sense of accomplishment from completing a significant spiritual discipline.

Don't become discouraged if it takes you longer than a year to read the Bible. You will gain spiritual strength each day you read!

I am a man of one book.

—John Wesley

For some years now I have read through the Bible twice every year. If you picture the Bible to be a mighty tree and every word a little branch, I have shaken every one of these branches because I wanted to know what it was and what it meant.

—Martin Luther
